Notice: Students should choose courses according to the established, bachelor's degree graduation requirements of their chosen 4-year school and make plans as early as possible in their transfer planning using the following guide:

- ◆ Check a current catalog or website of the chosen school to research Deadlines & General Admissions/Transfer requirements.
- ◆ Check the department website or with a program advisor about course work fulfilling admission pre-requisites for the Major.
- ◆ Check carefully before applying for transfer to be certain all requirements will be met to the satisfaction of the 4-year school.
