## **What is the Direct Transfer Agreement (DTA)?**

The Direct Transfer Agreement (DTA) ensures that a student who completes the Associate of Arts degree (AA-DTA), Associate of Science (AS-DTA), Associate in Elementary Education (DTA/MRP), or Associate in Math Education (DTA/MRP) at SCCC will have satisfied all or most of the general education (or core) requirements at the various baccalaureate institutions that have signed on to the Direct Transfer Agreement.

**The DTA does not guarantee admission to the university or to the specific program/major.**

**Talk to a SCCC Advisor** to learn about which Associate's Degree is best for you, how to plan your academic coursework at SCCC, and prerequisites for your major.

**Talk to the Transfer Center Coordinator** to learn about the transfer process, as well as the details of the DTA for the Washington State school you are interested in transferring to.
